DEAR PANTHER LODGE FAMILY AND FRIENDS

FALL/WINTER 2009

Here in the Ozark Mountains of Arkansas, autumn is beginning to flirt. The early mornings are cool and crisp with the days turning sunny and mild. I am sure everyone reading this letter is feeling or seeing the changes. Fall brings the harvest. I pray for all good things in your lives to be abundant.

2009 has certainly been trying for so many of us. I know people that have lost their homes, jobs, children, and marriages. I know you know some of these people yourself. I know that some of you may be these people. Often it is hard to hold on. My prayers are for their/your hopes to be fulfilled, for answers to come, for jobs to be restored, for homes to be saved, and for relationships to work out best for all concerned. It is important for all of us to reach out to those needing help, and if we are the ones needing help, it is important for us to reach out and ask. The Panther Lodge Medicine Society maintains a permanent Prayer Altar. When you call, write or e-mail, your requests are placed on that Altar, and prayers are made for you with my Pipe. Please do not hesitate to be in touch with me, 870-368-7877
